

## Chat from the Chair

I would firstly like to take this opportunity to wish you and your families a Happy New Year – I hope that whilst we start this year in another lockdown, things will improve dramatically later this year for everyone, and we can all start getting out and enjoying ourselves a little more.

I know for sure that we all can't wait to get back to meeting our loved ones, to hug a grandchild or to meet up with friends and maybe even go to the pub (remember that?!?!)

And for us here at SLROC that also means meeting up and having some fun in our Land Rovers again! – we cannot wait to be able to hold the first event of the year – whenever that might be possible.

On that point – events – obviously, it is impossible for us to know exactly when we might be able to resume club activities, but the committee have put together the 2021 calendar of events, with all dates but one being provisional at this stage.

We've started the activity calendar from April, as that's realistically the earliest (even still optimistic) date that restrictions *may* be lifted to a point we might start in person events – but again I must stress that these dates are provisional and will be confirmed closer to the time by the committee, based on current Government guidance. We will just have to adapt at short notice as I'm sure we've all been used to in 2020 for events and activities.

The one date that **is** fixed and firm is the AGM meeting, which will be on **Monday 15<sup>th</sup> March 2021** and which will be held remotely via a video call. Details of the video link will be sent via email to all members who have renewed their membership for 2021.

I would like to sincerely thank all members who have renewed their membership so far, it is very much appreciated – as I outlined in the previous chat from the chair, your membership and support is crucial in the ongoing running of the club – 2020 has been an unprecedented challenge for all clubs and groups, but I'm confident that here at SLROC with your support we can resume activities in 2021 and get things back on track!

For anyone yet to renew their membership, I've included details with this note of how you can make the required payment and also added a Standing Order Mandate for your bank if you need one.

For all members who have renewed, and those that are still to do so – could we please ask that you ensure that we have an up-to-date email address to contact you – if you have received this note via email, then all is good – but if you haven't, it probably means we don't hold the correct details on record.

Please send your up-to-date contact email address to [membership@slroc.uk.com](mailto:membership@slroc.uk.com) or [websec@slroc.uk.com](mailto:websec@slroc.uk.com) and we'll update your details.

Details of the AGM video link, and also 2021 Membership cards will be sent out via email, so it's very important to ensure we can contact you in this way.

Thank you again for your continued support through these difficult times and we hope to see you as soon as we possibly can.

Wishing you and your families a safe, and hopefully better 2021!

Kind regards,

Pat Corps.  
Club Chair.
